School of Biblical Christian Worldview (SBCW) - 29 May to 18 Aug

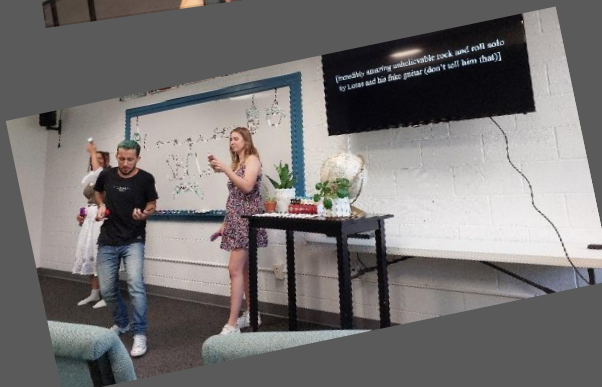

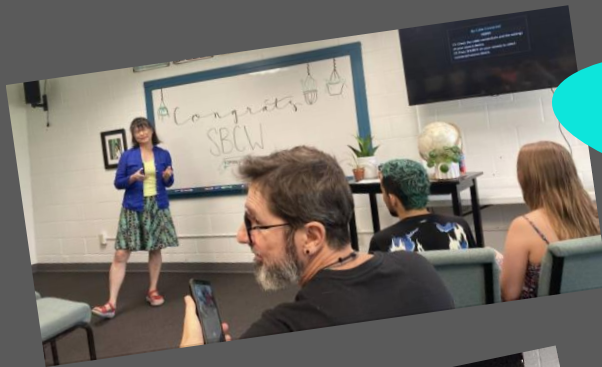

Student presenting his project

Lecture in session

Field Trip on Science topic (Environmental Science)

Graduation!!!

Back at PHOS Campus Ministry House

I stayed at the Base for 3 months during the duration of SBCW. I moved back to PHOS on Aug 21. Had a 1 week break but it was only a break from Base activities, not from PHOS ministry. I moved back at the busiest time for PHOS as the new academic year of the University of Wisconsin was starting. We were still processing new applications and enquiries. Finally, we accepted 3 new residents while 2 had left us.

Photo taken at the PHOS Orientation Retreat on Sept 1-3. This academic year, we have 15 students – 2 couldn't join us at the retreat. A new male part-time staff (the bearded guy behind me) has joined us for this semester, PTL!!! We have been & are still praying for more staff – full-time & long-term.

The SBCW students absolutely love the school. They have learnt so much but more importantly, gained a deeper understanding of the Christian faith & who God is. During the school, the Lord was doing deep work in all of them and by the end of the school, they have grown and matured so much and have drawn much closer to the Lord! It has also been a blessing working with Chris, the only other staff in the school staff team besides myself.

It is so heartening to see how our PHOS residents have grown in their faith. I am particularly encouraged by 3 of them (2 of them joined us last year) and to know that the discipleship happening in our Christian campus community house has helped them so much. It is really my privilege to be able to serve in the PHOS Campus ministry.

Teaching

Besides teaching 2.5 weeks in SBCW Madison, I also taught an SBCW in Brazil on Aug 4 & 7 on *ANIMISM & EASTERN THINKING* via Zoom. It was Week 10 of SBCW Madison which I was running...I was glad it worked out!

Taught 2 days on Sept 6 & 7 on *WORLDVIEW* in the Bible School for the Nations (BSN) which started in the Base on Sept 4 with 8 students. It's a 6-month school with 4 months of lecture phase and 2 months of outreach.

- I will be teaching Isaiah on Oct 18 in the weekly Bible Study Hour in the Discipleship Training School which is starting in a week in another YWAM property 45 min drive away. It's just 1 hour of teaching – I will be mainly doing an overview of Isaiah
- This semester, I will be leading the weekly Women's Discussion Group in PHOS on Tuesday evenings, 7-8pm – we will be studying the book of Phillipians.
- Men's Discussion Group is on Thursday evenings
- Our Weekly Bible Study at PHOS is on Wednesday evenings
- PHOS residents are required to attend at least 1 of them. We also arrange for 1-on-1 for whoever wishes to have it.
- I have been back in the PHOS kitchen helping with dinner prep every Mon, Wed & Fri
- I will also help in the Tues lunch prep in the base for the BSN whenever my co-worker from PHOS drives there in the morning as I don't drive here in US.
