2024 IGROW MODULES

GROWING IN CHRIST

The mission of I GROW (Christian Education department) in SIBKL is to disciple believers to have a relationship with God through Scripture.

We believe it is important that disciples not only have head knowledge of the Word but also to engage with the Holy Spirit for revelation and understanding of God's heart.

In resonating with the heart of God through Scripture, disciples grow to know God more intimately, love Him more passionately and faithfully yield in obedience to His Lordship; thus fulfilling God's destiny and call.
